Lemon Grove Will Host Freeway Brass

MIL'S MUSINGS

By Richard Milbroc't

THE NEXT TIME YOU can't get the car and have to walk down to the store and come home footsore, tired, and dirty vowing never to do that again, think of walking across the entire United States. This is an accomplishment that was personally witnessed by a profound gentleman of Lemon Grove. He is Clarence D. Ellis of 10074 Casa De Oro Blvd., who belies in looks his age of 77. He accompanied the world's walking champion, Edwin Weston on his cross country jaunt acting as his second and aide. The trip was made on a wager by General Hubbard who was then president of the Associated Press and the Santa Fe railroad.

Hubbard promised walker Weston $80,000 if he would cross the U. S. in 90 days. And, for each day he completed the journey under 90 days, 500 extra. The walking marathon was completed in 77 days. Our man Ellis likes to reminisce about his acquaintance with walker Weston and the many times he walked with him on his amazing fetes. One story he remembers well is when Weston celebrated his 72nd birthday by walking one mile for each year, all in one day. This was on March 14, 1910. Walker, of course, has since passed away.

One peculiarity of the ocean-to-ocean excursion from Santa Monica to New York City is that the Walking Champion himself gained 7 pounds while his second, Ellis, lost 20 pounds. The men walked everyday but Sunday which was the occasion for Weston to soak his feet in a salt solution of three pounds salt to

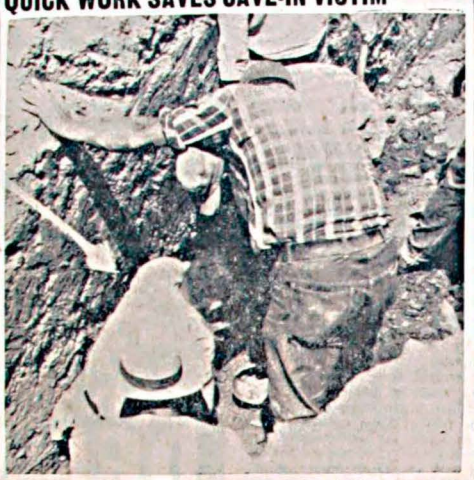
QUICK WORK SAVES CAVE-IN VICTIM



By AL JESSEN Staff Photog.

The shroud of death brushed Burt Ives, pipe layer, on the Irrigation District ditching project on Broadway near Massachusetts, Tuesday.

A cave-in completely buried Ives but quick work by his fellow workers and the Grove fire resuscitator group saved his life. Shown above (arrow) is Ives beingh elped from the ditch.

It was definitely established that E. E. Wallace, director of the department of highways in the San Diego district, will head the list of speakers at a public meeting sponsored by the Lemon Grove Chamber of Commerce at San Miguel Auditorium Friday July 31st starting at 8:00 p. m., it was announced today by Bob Gauldin, president of the Chamber of Commerce.

Also scheduled to make explanatory talks concerning the route and negotiations concerning the Lemon Grove freeway are Ralph Luckenback, assistant district engineer and Jack Putzer of the right-of-way department.

The long anticipated get-together will permit interested parties, particularly those along the freeway route, to ask direct questions of the men who are responsible for putting the freeway through this area, Gauldin stated.

The meeting will follow by two days another meeting by members of the group in the La Mesa area to conduct a hearing on request for a change of routing in the La Mesa area.

It is expected that a complete report of the out come of this hearing will be given at the San Miguel meeting.

Most local observers have expressed satisfaction with the route of the freeway in Lemon Grove and it is expected negotiations will go smoothly.

An unusually large turnout is expected for the meeting because residents along the route have eyed quizically the stakes set up by the division of highway men. These men have measured and surveyed all the homes adjacent the proposed route but the exact location of the road has not been established on the east end.

Definitely established is the road in the vicinty of North Ave. where it will swing just north of North Ave. until it nears Olive St. From Olive St. easterly it cuts behind the citrus packing house and from there the route is rather uncertain except in a general sort of way. It is known that it will follow south of the railroad tracks from about Grove street, then cutting over the hill touching near Gigliotti Drive-Riviera St. and then heading eastward to Campo-Imperial-Palm intersection.

Negotiators will soon start to work in the Lemon Grove area, reported State Division of Highways officials.

Conrad Terrace Opens Model Home This Week

A luxury style type of home within the reach of the average pocketbook will be unveiled this week-end to home seekers in the 93 house Conrad Terrace project on College Avenue between Federal Boulevard and University Avenue, it was announced today by Martin L. Gleich, one of the developers of the project.

The homes, all in the less than $12,000 class, will be available at down payments as low as $2,200 on F. H. A. terms.

Some of the custom built features in the Conrad Terrace homes are: wood paneled dining areas; Briggs Beauty Ware colored bathroom fixtures. Alwyntite aluminum sliding windows; G. E. Garbage disposals. Nutone electric kitchen ventilating fans. two medicines cabinets in the bathroom; flush doors throughout; and, 12 foot picture windows.

The extremely liveable floor plans, said Gleich, have eating spaces in the kitchen as well as a separate dining area.

Conrad Terrace is near grammar and junior high schools and near to the Helix High School.

A model home, completely furnished, is open to Lemon Grove visitors now, he said.

Bloody Battle Seen For Kiwanis-Lions Ball Game

Kiwanis-Lions August baseball game has picked up more side issues than a centipede on fly paper.

The game, an annual event, which still in the bickering stage, has caught the eye of Lemon Grove's most active women's group and has the rougher element running for cover.

What is causing the furor is a pie throwing event which is being developed by the Business Women's League, in which the losing team will be lined up like clay pigeons with the winners tossing at the losers from a distance of 10 feet.

Both teams, local sport authorities indicated, are potential losers and it is only a question as to the ability of either team to keep nine men in the field for the full nine innings.

The Business Women's League are gathering iodine bandages to administer to the players courageous enough to get into the fray. Meanwhile both the Lions and Kiwanis are remaining noncommittal as to the team they will field. In fact the date of the game is being held secret for another week. The date will come as a joint statement from all three clubs by the end of the month.

The entire event will be open to the public and free.

A tax rate of $1.49, a decrease of 51c from last year's tax, was approved last week by the La Mesa, Lemon Grove and Spring Valley Irrigation District.

While this reduces the rate of the over all district about 25% it still adds up to a healthy increase for Lemon Grove property owners while other of the five districts in the irrigation district will enjoy a reduction

Jim Squire, irrigation district assessor, leveled an approximately 100% increase of Lemon Grove property owners while he increased assessments in the other districts 13% to approximately 40%. In the 40% category is Spring Valley whose assessed value increase is smaller than the percentage indicates because Brookside formerly assigned to Lemon Grove has been switched to Spring Valley which makes the 91% increase in Lemon Grove materially higher, and the 40% in Spring Valley materially lower.

The over all increase according to Byron Miller, district's business manager, is about 30%.

A budget of $1,519,232 was approved by the Irrigation District Board. Tax revenues will contribute almost $200,000 of the budget. The remaining money must be raised through water bills and surplus funds.

Last year's tax revenues were $195,141.

The REVIEW charged that the increase in the Lemon Grove area was "prejudicial" and asked citizens to protest the unreasonable hike in assessments. Until now no one has appeared before the board to protest the increase. Following approval of the budget that establishes the Lemon Grove rate, the district awarded the contract to Nelson Brothers of Lemon Grove for $22,000 to replace old inadequate pipe lines in the La Mesa, Mt. Helix and Lemon Grove areas. In addition to that contract about $14,000 in materials will be supplied by the district making the contract worth about $36,000.

The total amount of pipe is 3,-613 feet of 6 inch, 885 feet of 8 inch cast iron pipe, together with 2 fire hydrants, and the location of the work is on Vivera near Fuerte Drive, Imperial north of Quarry, on an easement between Kenwood and Golf Drive and on Date, Pasadena, Fairview and Alta Lane.

Goodwin Talk Sets Off Intergroup Hassel

A charge of "breaking faith" was hurled by Lee Thompson, chairman of the Greater Lemon Grove Civic Association, at the Lemon Grove Home Rule Association during a meeting of the Monterey Heights Civic Association, last Wednesday at the Monterey Heights School.

More than 40 persons attended the meeting to hear Max Goodwin, publisher of the REVIEW, give his impressions of incorporation in a speech he called "The Hound Dog Named Taxes-or-Where or Where, Does My Little Dog Go."

Thompson, a visitor at the meeting, claimed that the Civic Investigating Committee before it broke into segments, one of which became the Home Rule Association, failed to give the community a sense of direction it was seeking before it became a champion for incorporation.

"They broke promises before, they'll break them after they incorporate," he charged.

Col. James Prenn defended the Investigating Association actions. A complete report, he said, had been turned over to the Grove Chamber of Commerce and copies of the report are available there. He termed the attack "venal."

The meeting, one of the most ambitious since the group was organized early last month, was conducted by Bill Edell, vice-president of the association.

The group heard Mac Daily give a report on street repairs which the group had already obtained from the county and Daily recommended that they embark upon a "cross walk and speeding sign" project which would bring more safety to the well-traveled streets of Monterey Heights.

A petition was offered for the consideration of the group asking the County Board of Supervisors to exclude from the boundaries of any proposed area to be incorporated in Lemon Grove all of the Monterey Heights area down to Alton Street and east of Imperial and further that they be notified of any public hearing regarding incorporation that would divide the school district.

Ralph Cloyed, 80th District Assemblyman, told the group the advantages of organization.

Lemon Grove Youth Killed In Plane Crash

John B. Rushing, 20, son of J. E. Rushing, of 2127 Ensenada St., was among 40 R.O.TC. cadets killed in crash of a Marine transport plane near Pensacola, Fla, last week.

Young Rushing was attending the University of Oklahoma. He was studying under the Navy's V-6 program.

He was born and reared in Oklahoma and worked one summer in San Diego, the family said. His father came to the San Diego area in 1946, and is a civil engineer attached to the County Public Works department.

Mildred Huebsch Honorary Fire Lass

The Women's Auxiliary of the Lemon Grove Fire Dept. held their regularly monthly meeting July 17 at the fire station.

Mildred Huebsch was nominated an honorary member of the Auxiliary for her time and effort in its behalf.

Treasurer Mrs. Madge Carmody presided at the meeting in the absence of President Mrs. M. Hensley and Vice-President Mrs. E. Alexandra, who are visiting friends and relatives in Kansas and Iowa.

Refreshments were served by Mrs. Elizabeth Parsons and Mrs. Jean Hamilton.

Santa (It Looks Like) Comes To Lucky Grove People

It looked like Christmas in Lemon Grove last week with a score of gifts resulting from re-opening business firms being distributed to lucky door prize ticket holders.

At C. P. Appliances, 7852 Broadway, where they were celebrating an enlarged and expanded business area these persons won the following prizes:

Radio, Mrs. Jennie Leonesio, 7936 Broadway; Barwa chair, Mrs. M. M. Mason, 2740 Massachusetts; Radio, Mrs. Paul Shafer, 7535 Pacific Avenue; Steam iron, Dorothy Irwin, 4875 Lee Ave.; Roaster, Gladys Benedict, 7564 Church St. and Waffle baker, Mrs. R. H. Turner, 4109 Palm Street.

Next door, at Rella's Shoes, in a brand new building he built expressly for his expanded venture, Ralph Rella gave a bicycle to Mrs Evelyn LaBerg, 7936 Broadway. A radio went to Werner Schmack and a pair of Keds went to Douglas McKenzie, 6571 Zena Dr. There are a dozen more prizes which have yet been unclaimed at Rella's. These winners will be published as soon as the individuals have been identified.

Jerry Glazebrook In Soap Box Derby

There will be at least one Lemon Grove representative in the soap box derby preliminaries to be held Saturday on Washington St. in San Diego.

Racer, Jerry Glazebrook, is the son of W. J. Glazebrook, 8081 Canton Dr. The eighth grade student built the racer which weighs 184 pounds at a cost of $25, $15 of which went for wheels.

Jerry, sponsored by Davis Food Center in Lemon Grove, is shown being congratulated by Harry York, Davis manager. The racer has been clocked on local streets at 19½ miles per hr. which gives the Lemon Grove entry a pretty good chance to win.

All County Dogs To Be Vaccinated

All dogs in the unincorporated areas of the county, including Lemon Grove, must be vacinated in order to prevent an outbreak of rabies if the recommendation of the public health director is followed by the Board of Supervisors.

A hearing will be held in room 310 by the board of supervisors in the county administration building in Civic Center on July 28 at 2:15 p. m. on the proposed ordinance.

The ordinance would require that all dogs be vaccinated for rabies at least once every twelve months by a licensed veterinarian or by an authorized member of the Livestock Department and that an official certificate shall be required as proof of the vaccination.

At present all dogs in the city of San Diego are required to be vaccinated.

This will bring the entire county into line on vaccinations, the health department pointed out.

A similar rabies project in bordering Mexico is far advanced over the San Diego County one, health officials stated. The Pan American Sanitary Bureau is coordinating the efforts of the Mexican officials with San Diego County officials in a determined fight to stamp out rabies, they said.

Grove Youngsters Invited On Camping Trip

Lemon Grove youngsters between the ages of nine and 14 are invited for a week's outing at Camp Mt. Crags in the Malibu mountains July 28 through Aug. 3.

Under sponsorship of the Salvation Army, a co-educational week-long program of swimming, hiking, horseback riding and other outdoor activities is planned at the tree - shaded mountain site located 38 miles northwest of Los Angeles. Full cost, including transportation, is $15, and reservations are to be made at the Salvation Army Citadel, 830 Eighth Ave., San Diego, as soon as possible.

Busses will leave the San Diego Citadel Tuesday, July 28, at 8 a. m., according to Major D. G. Rody, commandant, and will return at 6 p. m. Aug. 3. Individuals or organizations who would like to sponsor the trip for boys and girls who might not otherwise have the opportunity of attending are asked to contact the Citadel, as are parents who may want to arrange for special financing of the trip.

Get Set Kids! - Free Lemonade Coming

Lemons were being stock-piled by Lemon Grove merchants this week as the first of a series of free lemonad days was nearing.

Saturday, August 1st, had been set as the first of such days.

Ice cold lemonade will be served from huge barrels set in the park south of Broadway in the area between Imperial and Main Streets and all comers will be served free lemonade from 10 a. m. until 4 p. m. on that Saturday.

The event, sponsored by the Chamber of Commerce, is being handled by Robert Browne of the appliance firm and Roy Lane, haberdasher.

While all comers are welcome until they are full, a special invitation is extended to the youth of the community, said Bob Gauldin, Chamber president.

Lomita Village Receives Postal Service

It was a happy day for residents in Lomita last week when the REVIEW was delivered to residents' doors simultaneously with the beginning of regular mail service to that project.

Prior to the mail service, residents had to go to the Encanto post office.

The REVIEW has been named the official publication of Lomita Village and the increasing amounts of news will be devoted to the new community.

About 300 of the approximately 1,000 homes have been occupied, according to Jack Kelly, project manager.

In the photograph, receiving her REVIEW, is Mrs. T. V. Gibbs who lives on 459 Cardiff, from F. D. Johnston, maintenance superintendent of Lomita, while Harry J. Carpenter, Encanto postman, makes the first delivery.

The 1953 diamond squads of Helix High tusseled thru their seasons with the varsity chalking up a record of nine wins out of 23 games, scoring a major upset, and the JV copping a highly respectable 14-3 mark and wound up their season in second place out of a possible 7.

Coach Ralph Chaplins '9' had Fred Tooze, Ray West and Jerry Hurst on the mound, with Dick Gardner, Bernie Svalstad, Bill Conlee, Ernie Merk, Bill Bame, Sonny Beyer, Ralph Richardson, Jerry Jinett, Bob Crist, and Jerry Allen in the infield with Frank Morgan, Jerry McGue, Tom Kelly and George Mitrovich in the pasture.

Although the varsity had little success this year they were in on the heavy upsets. The major one was the 3-2 game with La Jolla where Tooze went all the way and struck out 15 and gave up only two hits. La Jolla thinking themselves King of San Diego's City Prep League were really humbled by last place Helix. (And that's just where they wound up too, last place). While Tooze pitched, Gardner wore the wire suit, while Merk, Mitrovich, Conlee, Morgan and McGue led the attack. Helix lucked-out in the Annual Lions Tournament bowing to the Chula Vista Spartans, 5-0, and to Fullerton, 5-4.

Coach Dean Strawn's JV talent-laden team wound up a very successful season, taking second place in the City League. Those who saw most of the action were Dave Rafalovich, Duane Rudzinski, John Bates, Bob Lebb and Dick Jackson, the acting battery. Gordon Hedberg, Ron Svalstad, Chuck Vanderhoof, Jim Hutchins, Stu Sloan, John Pfister and Ernie Miller were in the infield while Dave Olsen, Buddy Davis, Gary Gentry, Floyd Little and Warren Grimsby played catch in the outfield.

The only squads that outpointed Helix JV were Point Loma, Lincoln and San Diego, they split the series with San Diego. The Diego battle on Diego's diamond, proved fatal to Helix as we took a 9-7 beating. The second battle was on our new diamond on May 1 where we returned the compliment, 3-2.

Next year's returning Varsity men will go something like this: (F-Fielder; C-Catcher; P-Pitcher; B-Baseman and S-Shortstop) Dick Gardner, C; Fred Tooze, P; Jerry Jinett, S; Bob Lebb, P; Bill Bame, B; Lloyd Perkins, F; Frank Morgan, F; Jerry Allen, B; Sonny Beyer, B; Bernie Svalstad, C; Brian Herald, F; and Dick Jackson, P.

Re the Proposed Annexation to the Lemon Grove Sanitation District

RESOLUTION OF INTENTION TO ANNEX UNINCORPORATED TERRITORY TO THE LEMON GROVE SANITATION DISTRICT AND NOTICE OF HEARING THEREON

On motion of Supervisor Gibson, seconded by Supervisor Bird, the following resolution is adopted and notice is ordered by the Board of Supervisors of San Diego County:

WHEREAS, Alvin M. and Beatrice Garber, the owners of certain property in unincorporated territory of the County of San Diego contiguous to the Lemon Grove Sanitation District, have asked this Board (Document No. 158403½) to annex said property to said Sanitation District under the provisions of the County Sanitation District Act; and

WHEREAS, the County Boundary Commission has approved the boundaries of the proposed annexation (Document No. 159013); and

WHEREAS, investigation of the proposed annexation by the Division of Engineering of the Department of Public Works discloses that said property is contiguous to said Sanitation District and that it would be desirable and feasible to sewer said property by extension of said District's lines (Document No. 159166); NOW THEREFORE

BE IT RESOLVED AND ORDERED:

(a) That it is the intention of the Board of Supervisors of the County of San Diego to annex to the Lemon Grove Sanitation District under the provisions of the County Sanitation District Act all of that contiguous unincorporated territory of the County of San Diego, none of which is now included in any other county sanitation district or other district or districts formed for similar purposes, bounded and described as follows:

(b) All that portion of the unincorporated territory of the County of San Diego, State of California, described as follows: Beginning at the Northeast corner of Lot 25 of Subdivision No. 3 of Tract 12, of Ex-Mission Rancho, as shown on Map No. 859, on file in the office of the County Recorder of San Diego County: thence Southerly along the East line of said Lot 25 to the Southeast corner of said Lot; thence Westerly along the South line of said Lot 25 to the Southwest corner of said lot; thence Northerly along the West line of said Lot 25 to the Northwest corner of said lot; thence Easterly along the North line of said Lot 25 to the point of beginning.

(c) That said Sanitation District following said annexation shall continue to be known by that name;

(d) That the Board of Supervisors hereby sets Tuesday, August 4, 1953, at the hour of 10:30 o'clock a. m. in the Chamber of the Board of Supervisors, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, as the time and place fixed for the hearing of objections to the annexation of said territory to said District, or to the extent thereof;

(e) That the Clerk of the Board of Supervisors is hereby authorized and instructed to publish this resolution of intention and notice of hearing thereon at length in at least two successive issues not more than 30 nor less than 10 days prior to the time of said hearing in the Lemon Grove Review, a newspaper of general circulation in the County of San Diego, in the territory proposed to be annexed, and in said Sanitation District.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 30th day of June, 1953, by the following vote:

AYES: Supervisors Gibson, Bird, Robbins, Rossi, and Howell
NOES: Supervisors None

B.W.L. Planting Ready To Start

Mrs. Bruno Leonesio

Although to date you see no planting along the railroad track, do not be misled into thinking that the Business Women's League is idle. Some heavy planning and hiring are being done so that in the near future a real showing will be made.

The League is delighted with the interest of other clubs in this civic project and believes that everyone will feel a surge of pride in the result.

The Business Women's League of Lemon Grove is now incorporated. We wish to express our thanks to Att. Luther Hussey and also his wife Mary for the aid given us. We also feel that Judge Hussey should join the B. W. L. Auxiliary. Yes we have one, ask Mr. Grant Hadley. I believe there are 9 members to date.

There will be a board meeting at the home of Mrs. Bert Snyder, Thurs. evening, July 23rd.

Guests attending the luncheon at Michels July 16th were: Miss Alice Barber from Kansas, Mrs. Shirley Ball of N. Y., Mrs. Mary Ellen Wells, E. M. Culver, Master Michel Goldy and Phill Johnson. The next meeting will be announced later.

Spanish Dancer Next On Symphony Program

The internationally famous Spanish Dancers, Antonio and Luisa Triana and company will return to San Diego for an engagement with the San Diego Symphony Orchestra next Tuesday at 8:30 in Balboa Park Bowl.

The Trianas, who thrilled San Diego Symphony audiences last summer with their superb and brillant performance, will perform De Falla's "El Amor Brujo" and Ravel's "Bolero" next Tuesday evening.

Other works programmed for the second concert of the Summer Symphonies 6 week series with Robert Shaw conducting, include the "American Festival Overture" by the American composer, William Schuman and Brahms "Symphony No. 2 in D Major."

Tickets are available at the Palmer Box Office in San Diego.

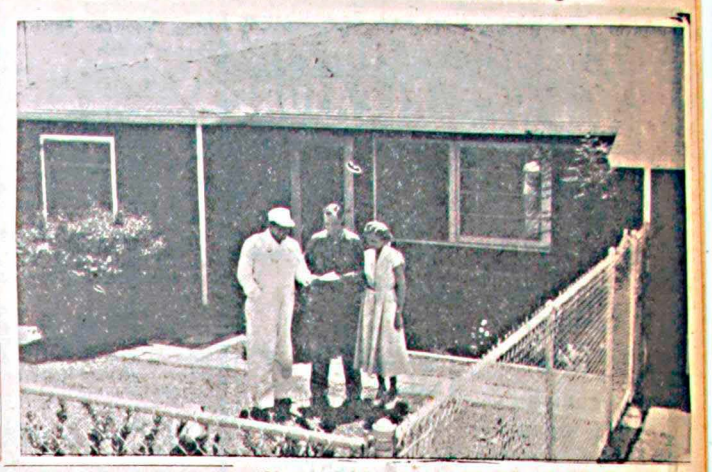
Homes Are Prettier With Fresh Paint, All Agree



It's a good job - - and we like it," said A. J. Henry, 2102 Massachusetts as master painter Don Wilson (left) presents the tab for the painting.

"We're very pleased with the job and I have recommended Mr. Wilson to my friends and neighbors," Mrs. Henry added.

Wilson, associated with Lemon Grove Wallpaper and Paint at 7840 Broadway, is scheduled to do a series "Paint Jobs of the Week" to publicize Good Neighbor Paints which he used on the Henry house, and to publicize professional painting.

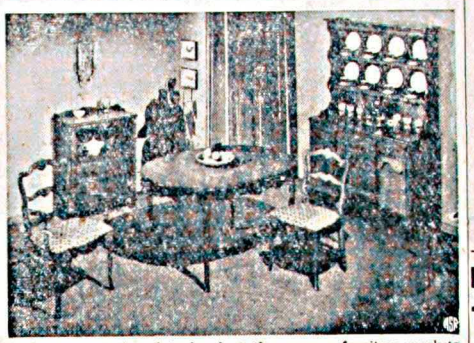
"Of all things," Wilson pointed out, "home owners should demand a professional job on their homes."

"Application of material correct for the surface to be painted is as important as the material used."

"A professional job with Good Neighbor Paints should last four to six years," he added. I've seen amateur jobs that had to be redone every year. In the long run it costs no more . . . and your house can be painted for no money down, and as long as 36 months to pay."

Wilson can be reached at H6-8237. **—Adv.**

Furniture Fashions



New presentations introduced at the summer furniture markets range in style from adaptations of French, Spanish, Italian, and American Provincial to trend-setting Modern.

Bridging the gap between Traditional and Modern furniture, there are contemporary groups designed to capture the interest of those who prefer the combination of the heritage of Traditional and the up-to-date feeling of Modern furniture.

Shown is a French Provincial dining room group scaled to fit the smaller dining area. At the same time, it is generously proportioned so that it will add dignity to any size dining area.

Made of solid cherry wood, the table extends to 92 inches. In addition to the oval table shown, there is a choice of either a rectangular or drop-leaf model. The finish is amber tone.

French Provincial furniture is ideal for the homemaker who wants to give her home a touch of historic glamour.

Bang-Tails Off This Week At Del Mar

DEL MAR — With the stable area long since opened horses for the 14th Del Mar Turf Club summer racing season are continuing to arrive reported Eddy Reed, press rep. for the track this week.

Biggest part of the thoroughbred talent for the 41 day meet appeared on the scene this week. Most of them came from Hollywood Park which closed this week just 48 hours ahead of this Saturday's opening of Del Mar.

Since the close of the 1952 meeting, additions have included a new walkway across the lagoon immediately south of the track to provide an easier route from the special trains' unloading point to the front gates.

The extreme west end of the grandstand, previously uncovered, has been roofed and the end glass-enclosed.

New roads, one bordering the main parking lot will eliminate traffic congestion on even the biggest days, officials predict.

Of most interest to horsemen is the recently completed renovation of the racing strip.

"Highland Lads And Lassies"

Robert Turnbull

"Have you ever seen Art LaSalle's dreamy ford?" "Hey kid, don't you think that Tommy Kelly is the most rugged man in school?" "Well if you ask me, and if you don't I'll tell you anyway, that Bob Turnbull is the oldest boy to ever put his foot in our beloved school!" What's this about? Just some of the remarks that would have been heard by anyone that happened to be in the closet of Beverly Deema's home a few weeks ago when she had her slumber party. Following Connie Mastorakas beach party, Bev rounded up a few of her slumber-busters which consisted of Bev, Connie Grader, Patti Culver, Sandy Hessen, Lulu Doud and Joni Wilson. The girls told me that that nite they weren't being 'caty' and talked about other girls, but instead they talked on (quote) "which guy could make-out the best" (un-quote). About that last remark at the beginning, I don't know.

Cedric Jordan was the main reason to throw a party. It was more or less (probably more) a good-bye party for Ced since he is heading for the high-seas fairly soon. Some of the highland lads 'n lassies seen there were: Ced; Sandy Hessen, Pete Selto; Lorraine Sawyer, Karl Jordan; Marion Farrow, Don Bender; Carolyn Oliver, Howie Fackrell; Sally Culver, Carlos Fackrell; Jim Sinegal, Joni Wilson, Don Rote, Patti Culver, Wayne McDaniel, Jerry Skeie, Ralph Jaffe, Ronnie Fix, Bob Hutchins, Dixie Graham, Dale Paquin, Edgar Stemen, Dick Laabs, Bob Perkins, Dillard Harwell. Roasting hot dogs, slurping Cokes and dancing was the delightful menu for the eye.

State Seeking Men, Women For Parole Work

Placement officers to look after juvenile delinquents on parole are needed by the California Youth Authority.

State civil service examinations will be held August 29 to fill jobs as placement officer I at $376 to $436 a month, and placement officer II at $395 to $481. Applications must be in by August 7.

The bulk of the assignments are with boy parolees and call for male officers. Several women will be hired to handle paroled girls.

Requirements for the beginning job are either one year's graduate study in social sciences including some case work. Additional experience is needed for the higher position.

State Eases Hiring Rules On Five Jobs

A group of state jobs for which examinations are now given on a continuous basis was announced today by the State Personnel Board.

Trainees for psychiatric technician may apply at any of the thirteen state hospitals, and receive $200-$210 a month while learning the work.

Openings exist at some hospitals for junior psychiatric nurses at $281 to $325, and for two classes of physical therapists at $310 to $346. The positions are obtained by applying through the State Peronnel Board at Sacramento, San Francisco and Los Angeles.

Applications are being accepted on the spot for attendants at the state school for the blind in Berkeley. Salary range is $220 to $268 a month.

Most civil service jobs are filled through examinations given on a specific date. These five classes were put on a continuous basis because of the urgent need of personnel

What better illustrates the attraction of a California summer than a pretty girl in a bathing suit. Wanda Barbour, Hollywood starlet who is scheduled for stardom in 1954 in a good illustration in point. While this toothsome lass has nothing whatsoever to do with Lemon Grove, it doesn't prevent us from day dreaming, and with a chick like this in mind we can truthfully say that our dreams are getting better all the time.

State To Pick Coach For New Tracy Prison

An athletic coach for California's new Deuel vocational institution at Tracy will be chosen by civil service examination August 29, the State Personnel Board said today. Applications must be in by August 7.

The huge new plant will be devoted largely to the younger men committed to serve time in a state prison. The athletic program is considered an important help in their rehabilitation.

Some combination of college education and coaching experience is required. A man with a state teaching certificate in physical education is preferred.

Pay starts at $310 to $358 depending on qualifications and incentive increases may take it to a top of $481.

NAM

SOURCE: U.S. Bureau of Census and National Association of Manufacturers

The National Association of Manufacturers this week released a chart based on U. S. Census figures showing that California is growing at the rate of 8,000 new citizens a week.

By 1960 this will add more than 4,000,000 added people.

As shown in the chart, California industry must be ready to provide jobs for nearly 2,000,000 workers in the next ten years. Since it costs about $12,000 in capital investment for every worker, state industries must find new capital amounting to $22,000,000,000.

This money must come from individuals and corporations with money to invest — but the money is not now available, largely because of heavy personal and corporate taxes.

NAM also urges drastic Government economy and reutrn of all possible Government functions and tax resources to state and local levels as first steps toward lower taxes and capital formation.

Bulen's Freeway Stand Attacked By L. M. Publisher

A freeway tempest that threatened to explode beyond the confines of the teapot appeared to be certain today as Sheridan Hegland, La Mesa newspaper publisher, charged Ed Bulen, 77th district assemblyman, with making irresponsible statements that could affect the route of the multi-million dollar Lemon Grove-La Mesa freeway.

The charge was brewed following Bulen's reported statement that he had been over an alternate route that would take the Lemon Grove section of the freeway west and south of Brookside and would, probably, if adopted, cut through Catholic Church property in the area of Sweetwater Road.

"Bulen has made this recommendation with the same abandon and lack of thinking that has characterized many other of his senseless stands," Hegland said. "Bulen was not thinking of his constituents when he tacitly approved the bobtailing of Lemon Grove to the detriment of the town's economy," Hegland added.

Student and Instructor Prepare for Flight . . . 1911

From the Historical Collection of Union Title Insurance & Trust Company

San Diego has been established as the scene of man's first successful flight when John J. Montgomery took to the air in his home-built glider at Otay in 1883. Further proof of San Diego's claim as the birthplace of aviation is the fact that one of the nation's first flying schools was located here.

In the early 1900's, Glenn H. Curtiss, pioneer aviator, received permission from John D. Spreckels to use part of North Island as a flying school. The school was started in 1910, and this 1911 photograph from the historical collection of Union Title Insurance and Trust Company shows a student and instructor in an early Curtiss biplane.

Although such a fragile-appearing craft would seem unlikely to produce anything except casualties, it was in such planes that aviation history was made in San Diego. The first non-stop 50-mile flight . . . the first night flight . . . the first successful seaplane flight — these were all records made at the Curtiss School.

When Curtiss was unable to purchase a permanent base on North Island he moved his school to Hammondsport, New York, early in 1912. Later in the same year, the newly formed Army Air Service purchased part of North Island and established Rockwell Field, which served as an Army airfield until 1927 — when North Island was taken over by the Navy

L. G. Review, July 23, 30 & Aug. 6, 1953.

Here in this country a century ago is was possible to buy a dollar bill for as little as 30 cents. An enterprising reporter on a St. Louis newspaper first called attention of federal authorities to the fact that many small banks were issuing their own dollar bills and selling them for less than a dollar. Congress was asked to halt the practice of allowing privately owned banks to issue their own money. In the meantime fortunes were made by small bankers who printed money, distributed it throughout the country, and then conveniently went out of business.

Public Notices

NOTICE OF PROPOSED SALE OF PERSONAL PROPERTY

Notice is hereby given that the Governing Board of the Lemon Grove School District, San Diego County, California, will on the 30th day of July, 1953, at 2 o'clock P. M., in the Lemon Grove School District Office, 3202 Acacia Street, Lemon Grove, California, sell to the highest bidder the following personal property belonging to said district and no longer required for school purposes:

One frame building 24 feet by 40 feet, total of 960 square feet. FLOOR CONSTRUCTION: 4"x6" stringers 8" O. C., 2"x6" floor joists @ 16" O. C., 1"x4" clear Oregon Pine flooring. WALLS & CEILING: Exterior wall 1"x10" California type sheathing, tongue and groove, no batts. Interior walls sealed with 4'x6'x⅛" sheet Celotex from ceiling to top of 2' plywood wainscoat ⅛" thick. Ceiling 16"x32" Celotex tile. ROOF: 110 lb. composition rolled roofing on a hip roof, 2"x6" rafters @ 24" O. C. PLUMBING: 2 toilet bowls and flush tanks. Electric outlets and ceiling lights. FOUNDATION: Building rests on concrete piers.

Property is to be removed from the premises at the expense of the bidder within thirty (30) days after the acceptance of bid, except that foundations may be left on the school property. Premises are to be left in good condition, free and clean immediately after removal of buildings.

Lump sum bids only for the building above described will be received and shall be submitted in writing and filed with the Business Manager of the Lemon Grove School District not later than the above specified time for opening. Each bid must be accompanied by a certified or cashier's check for not less than five percent (5%) of the amount of the bid, made payable to the order of the Lemon Grove School District of San Diego County, California, as a guarantee that the bidder will complete the purchase upon acceptance of his bid, and will be declared forfeited if the successful bidder refuses to complete the purchase after being requested to do so by the Governing Board. Oral bids will be received at such public session, provided they are made by responsible persons, and are for a price exceeding by at least five percent (5%) the highest of any written proposals received. The Governing Board reserves the right to reject any and all bids, either written or oral, and withdraw such property from sale; also to waive any informality in the bidding.

Dated this 13th day of July, 1953.

Plant Fibrous Begonias In Lemon Grove For a Permanent Border

Setting out begonia transplants in Lemon Grove is like putting money in the bank; you will draw regular flora dividends as long as you keep them in your garden. Fibrous begonias are one of the few perennials that truly compete with the free flowering annuals in prolific bloom. As they are often in flower when transplanted, and last through the summer heat. They wield an unusually high dividend in garden enjoyment.

According to the California Bedding Plant Advisory Board, flats of two types of fibrous begonias are generally available in Lemon Grove. In both, the usual

colors are red, pink and white. The tall semperflorens type serves for foundation and background planting, as it attains a 24" to 30" growth. More popular is the dwarf border type, and in it a few off shades occasionally are offered.

This dwarf begonia serves well in a double edging. Try a row of pink begonias with a second row of Cambridge Blue lobelia, with Crystal Palace lobelia. Use the whites to accent other colors, or intersperse them with the reds. As the growth rate varies between the two colors, a light shearing will trim them into a symetrical pattern.

Both types of fibrous begonia are primarily shade lovers, but they will stand full sun and thrive in all but the hottest areas. Work plenty of humus into the soil. Fertilize sparingly. Water regularly and well, but do not water in full sunlight where exposure is extreem or the leaves will scald. Late this fall mark the area where they are planted so they won't be turned under while dormant and you will see them in your garden for many happy years to come.

AN ELECTRIC RANGE — THE MODERN RANGE FOR YOUR MODERN KITCHEN

JUST ONE OF 9 REASONS TO CHANGE TO A NEW ELECTRIC RANGE

Nature puts lots of wonderful, health-giving vitamins and minerals for you in vegetables and meats – but you can lose most of them in cooking.

Unless, of course, you cook with electricity. The electric way you use practically no water – and that preserves nourishing juices, vitamins and minerals.

Healthful cooking is just one of 9 reasons you should change to an electric range. It's 1, fast; 2, modern; 3, thrifty; 4, cool; 5, automatic – to save you time and work; 6, it's dependable; 7, it's clean.

And 8, it makes you a better cook because an electric range preserves the wonderful flavors of all foods.

To make your life 9 ways better, change to an electric range. Your dealer has many makes, many models – see them – one of them is for you.

Power In Truth Shown In Lesson-Sermon

"Thou are the God of my strength: . . . O send out thy light and thy truth: let them lead me." These words of the Psalmist (43:2,3) are the Golden Text of the Sunday Lesson-Sermon on "Truth" in all Christian Science churches.

How the understanding of God as Truth illumines thought, regenerates and heals is pointed out in the Lesson-Sermon. A passage from John's Gospel (1:14,17) says, 'And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth . . . For the law was given by Moses, but grace and truth came by Jesus Christ."

WILL PRINCESS WED RAF PILOT?

ALL OF BRITAIN is speculating these days on possibility Princess Margaret, 23, may wed Captain Peter W. Townsend, 38 who divorced wife and has just been ordered to duty at British embassy in Brussels. Picture of them was made in 1950 before stories of their romance became public property. *(International)*

Sgt. Castellanos Returning Home

WITH IX CORPS IN KOREA — Sgt. Robert Castellanos, son of Mr. and Mrs. Tom Castellanos, 7927 Imperial Ave., Lemon Grove, Calif., is returning to the U. S. after serving in Korea with the 101st Signal Battalion, part of IX Corps.

Castellanos, a pole lineman in Company A, holds the Army of Occupation Medal for duty in Japan, Meritorious Unit Emblem and the UN and Korean Service Ribbons.

A graduate of Grossmont Union High Schol, he was employed by the Banton Paint Factory in San Diego before entering the Army in January 1951.

Forty-seven years before the first Bibles were printed from Johannes Gutenberg's movable metal type the Koreans cast faces on individual, movable, interchangeable metal blocks for printing books which preserved for posterity the laws and classics of their nation.

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that the Lemon Grove School District of San Diego County, California, acting by and through the Governing Board, hereinafter referred to as the District, will receive up to, but not later than 2:00 o'clock p. m. of the 23rd day of July, 1953, sealed bids for the award of a contract for lease-purchase of a school bus. Each bidder shall state in his bid the purchase price which he will pay for one used school bus which belongs to this District and which is being replaced. Such bids shall be received in the office of the Governing Board of said District located at 3202 Acacia Street, Lemon Grove, California, and shall be opened and publicly read aloud at the above stated time and place.

Such bid must conform and be responsive to this invitation, the Information for Bidders, the Specifications, the Plans, if any, and all other documents comprising the pertinent Contract Documents. Copies of the Contract Documents are now on file and may be obtained in the office of said Board at the above address.

Each bid shall be accompanied by a certified or cashier's check payable to the District, or a satisfactory bid bond in favor of the District executed by the bidder as principal and a satisfactory surety company as surety, in an amount not less than 5% of the maximum amount of the bid. The check or bid bond shall be given as a guarantee that the bidder shall execute the lease agreement if it be awarded to him in conformity with the Contract Documents.

The District reserves the right to reject any or all bids, or to waive any irregularities or informalities in the bids or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334, inclusive, Government Code.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening of bids.

one gallon water.

The walking champion wore out 17 pairs of three ply soles that were specially made for the purpose.

While memories of these experiences are sufficient for most persons, the effervescent Ellis is also able to recall the time on a dare he wrestled the world's heavyweight wrestling champion 35 years ago and won, two out of three falls. The only reason Ellis was not wrestling champ from that time forward was that the championship was not at stake, and the champ suffered three broken ribs.

As if this were still not enough, Ellis had a memorable time working for a railroad. Working as a bridge inspector for one of the southwest's largest roads, Ellis at one time had several thousand bridges to inspect. In 1908, after inspecting a bridge one day before, a 12 car passenger train broke through the bridge and fell to tragedy. Ellis kept his job however, since the bridge did not fail because of poor inspection. It burned up about four hours after the inspection.

Now living alone on his railroad pension, Clarence Ellis is a frail man, weighing but 117 pounds. This was not always the case and Ellis has good reason for being small in build. Several years ago he was hit by a train and the recovery from the accident cost him around 70 pounds which he never has been able to win back. A remarkable man with some remarkable stories to tell all who will listen, Clarence Ellis is one citizen of the Grove area that everyone can be proud to know. While not a hero or personality of national acclaim, Ellis is one of those persons vital to the creation of big time heroes.
